Elected and appointed officials of the city of Pittsburgh and its surrounding municipalities, as well as representatives of local nonprofits and organizations working in public health, blighted and vacant housing, infrastructure coordination, water and sewer, transportation, and related policy areas will gather together at CONNECT's Eighth Annual Legislative Session and Reception to discuss the work of CONNECT and to strategize and identify priorities for the coming year. CONNECT's membership includes appointed and elected officials from the City of Pittsburgh and the 39 municipalities that comprise the region's urban core. www.connect.pitt.edu

We encourage our sponsors to attend the event and seize the opportunity to meet and mingle with local elected officials, municipal staff, and representatives of our collaborative partners.
