

CONNECT Infrastructure Coordination Resolutions

CONNECT Seventh Congress, 2016:

16-07 Commits to serve as the convener and to partner with the Utility providers, as well as the City of Pittsburgh's Department of Public Works, and Allegheny County to engage in a process to select and procure a common data platform that would allow for coordinated planning, both between municipalities and the utilities, and across municipal borders; commits to holding regular meetings for member municipalities and utilities representatives to promote collaboration and discussion around construction plans.

CONNECT Eighth Congress, 2017:

17-07 THEREFORE BE IT RESOLVED that CONNECT endorses "Coordinate PA" as the common data platform for infrastructure planning.

BE IT FURTHER RESOLVED that CONNECT commits to serving as a collaborative partner to PA One Call as "Coordinate PA" is introduced to member municipalities.

BE IT FURTHER RESOLVED that CONNECT will continue to facilitate interactions and discussion between utility companies and member municipalities; hosting regular meetings, providing updated contact information, and encouraging coordination and collaboration between parties.
