Online and social media outreach for partners

Facebook/ LinkedIn/Instagram/NextDoor

- We partnered with Solar United Neighbors to launch the 2022 Allegheny County Solar + EV Co-op. With the help and expertise of @solarunitedneighbors, co-op members can leverage their numbers to get a group rate on quality solar installations. There is no cost to join and no obligation to install! Become a member today at www.solarunitedneighbors.org/allegheny
 - Participate in a free Solar 101 session March 3rd with our partners @Solarunitedneighbors to learn how going solar can benefit your family and how doing so with the 2022 Allegheny County Solar Co-op makes it easy. RSVP today <https://coops.solarunitedneighbors.org/coops/allegheny-county-solar-and-ev-charger-co-op/events/>
 - We #love our partnership with Solar United Neighbors. Together we have launched the 2022 Allegheny Solar +EV Charger Co-op. With the help and expertise of @solarunitedneighbors, we are joining together solar co-op members who want to go solar and save money. Become a member today at www.solarunitedneighbors.org/allegheny.
 - Don't miss your chance to go solar with our partners @Solarunitedneighbors and the 2022 Allegheny Solar +EV Charger Co-op. The deadline to join is July 31st. You can find out more at a free Solar 101 session March 7, where you'll learn how going solar can benefit your family and how doing so with the Co-op makes it easy. RSVP today at <https://coops.solarunitedneighbors.org/coops/allegheny-county-solar-and-ev-charger-co-op/events/>
